Set in the heart of the Yarra Valley, Mount Mary is a family owned estate crafting finessed wines across 40 acres of vines. The single vineyard estate is now run by Sam Middleton who works diligently in the vines as his father, David, and grandfather, John, once did. At the forefront of the resurgence of the Yarra Valley, the Middleton family has not taken the foot of the pedal as they continue to innovate and future proof their vines generation after generation.

Finding similarities to Burgundy and Bordeaux, the terroir of the Yarra Valley is the perfect platform for winemakers such as the Middletons to develop their fine wines to rival that of France.

Mount Mary, 'Triolet'

The Triolet blend, first produced at Mount Mary in 1987, was inspired by the white wines of Graves, Bordeaux. This wine is considered quite unique by Australian standards and has developed a reputation for ageing remarkably well. The vineyard is planted to 65% Sauvignon Blanc, 25% Semillon and 10% Muscadelle. Each variety is picked at optimum ripeness, and is fermented separately.

Mount Mary, Chardonnay

A Chardonnay with great length, reaching a balance between richness and elegance. While some techniques are borrowed from the Burgundians, there are some departures from traditional practice in response to local factors, which ensures a unique wine. Chardonnay is matured in 30% new French oak barriques with the remainder in older barrels.

Mount Mary, Pinot Noir

We work extremely hard in the vineyard to ensure our Pinot noir fruit contains adequate tannins in the skins. Additionally, our winemaking practices encourage tannin extraction, as we see this as such a crucial component in high quality Pinot noir. There is oak spice and a faint touch of roasted coffee thanks to the 18 months barrel maturation, comprising 25% new French oak. The palate again is concentrated, intense and pure.

Mount Mary, 'Quintet'

Quintet owes its existence to John Middleton's enduring love for the Cabernet family and became Mount Mary's flagship wine. John claimed he was the first in Australia to employ the suite of noble red grapes of Bordeaux in one blend. He unashamedly admitted to copying the French who had proven the value of this form of winemaking over many generations. John was to set out on a mission to soften these Cabernet features by means of blending the Cabernet family, judicious timing of harvest, quality oak exposure and traditional egg white fining. This led to the birth of the Quintet.
