Gin & Tonics

Few serves are as enduring as the gin and tonic. Crisp, composed and endlessly adaptable, it is simplicity elevated.

Each of our signature serves is built with intention, pairing gin, tonic and garnish to highlight balance, texture and botanical character. From the mineral elegance of Renais to the coastal freshness of Papa Salt Coastal Gin, the soft florals of Bloom Gin and the precise clarity of Linden Leaf 8, each glass is designed to feel complete.

For a non alcoholic alternative, Seedlip Grove 42 delivers the structure and refreshment of a true G and T, without the alcohol.

Proper glassware, generous ice and thoughtful garnishes. As it should be.

All G&T's are served with 45ml Gin

Renais 25

Fortified Wines

Fortified wines are woven into the fabric of England's drinking culture and not just at the end of the night. From the age of sail onwards, wines like Port and Sherry were perfectly suited to long sea journeys, arriving on the English shores richer, stronger and ready to age in cool cellars. They quickly became favourites in gentlemen's clubs, grand homes, and around roaring fires, poured to celebrate, debate and unwind. Today they remain a delicious reminder of England's outsized influence on the wine world, offering warmth, generosity and a touch of old-world indulgence in every glass.

English Sparkling Wine

Once a curiosity, now a benchmark. English sparkling wine has emerged as one of the world's most exciting cool-climate success stories. Southern England's climate today closely mirrors that of Champagne several decades ago, before the effects of warming shifted ripeness levels, making it uniquely suited to producing high-acid, finely structured sparkling wines of precision and longevity.

Planted on chalk and limestone soils that echo those from across the Channel, vineyards focus on traditional-method production using classic varieties: Chardonnay, Pinot Noir and Meunier. The resulting wines are defined by vibrant acidity, fine mousse, and extended lees aging, with flavours of citrus, green apple, brioche and oyster shell.

Increasingly confident and distinctive, English sparkling wines balance elegance with energy, offering a compelling alternative to Champagne and a clear, modern expression of place.

Nyetimber

A pioneer of English sparkling wine, Nyetimber set the benchmark long before the category found global recognition. Producing only traditional-method sparkling wines from estate-grown Chardonnay, Pinot Noir and Meunier, Nyetimber is defined by precision, depth and extended lees aging. Elegant yet powerful, its wines combine racy acidity with layers of citrus, toasted brioche and chalky minerality, firmly establishing England as a world-class sparkling wine region.

Louis Pommery

A natural extension of Champagne heritage into England's cool-climate vineyards, Louis Pommery brings a distinctly refined, Champagne-inspired lens to English sparkling wine. Crafted in a crisp, dry style using traditional-method techniques, the wines emphasise purity, tension and finesse, showcasing bright citrus, green apple and subtle autolytic complexity. Elegant and restrained, Louis Pommery highlights the shared DNA between Champagne and Southern England, while expressing a confident sense of place.

Hattingley Valley

One of England's most respected sparkling wine producers, Hattingley Valley is known for precision winemaking and exceptional balance. Working closely with growers across Hampshire and Sussex, the focus is on fruit quality, long lees ageing, and a confident house style that marries richness with vibrant acidity. The wines show layered citrus, stone fruit and toasted brioche, underpinned by fine structure and energy, modern English sparkling at its most assured.

Oxney Estate

Oxney exists to redefine expectation of organic winemaking in England. The undertaking is led by Kristin Syltevik, who stands as a leader in the field of organic practices in the country. Oxney cultivates 35 hectares of vineyards, which accounts for approximately 20% of all organic grapes grown in the UK. Oxney is unwavering in their conviction that the future of English wine lies in embracing organic principles. The evidence of this commitment is elegantly bottled in every wine they produce.

Champagne - Growers & Grandes Marques

Champagne has always been shaped as much by people as by place, which is why we choose to present it in two distinct styles. At one end are the grandes marques, the famous houses that build Champagne's global reputation through consistency, scale and a recognisable house style year after year. These wines are polished, dependable and instantly familiar.

Alongside them sit grower Champagnes, made by the very families who farm the vineyards of Champagne. These bottles tell a more personal story, shaped by a single village, a handful of parcels, and the character of the grower behind them. They are expressive, individual, and often surprising.

By splitting the list, we invite you to explore both sides of Champagne. One rooted in tradition and prestige, the other driven by place, personality, and discovery,

Cabernet, Claret, and England

The word 'claret' is England's own name for the red wines of Bordeaux, and it speaks to a relationship that spans centuries. From medieval trade routes to Georgian dining rooms, these wines became the everyday fine wine of England, prized for their balance, structure, and ability to age rather than sheer power. Over time, claret came to mean not just where a wine was from, but a style elegant, food friendly, and built on restraint.

Gin

No spirit is more woven into British drinking culture than gin. From the cobbled streets of Georgian London to the polished bar tops of the modern brasserie, it has always carried itself with confidence.

Our Classic London Dry selection celebrates juniper in its purest form, crisp, citrus led and impeccably structured. Bottles such as London No.3, Sipsmith and Tanqueray honour the traditional style, built for martinis that are precise and G & Ts that refresh with quiet authority.

Our Signature Botanical Gins explore a more expressive side. From the gentle cucumber lift of Hendrick's to the darker fruit richness of Brockmans, these gins layer spice, citrus and florals with elegance and depth.

Whether brisk and classic or fragrant and modern, gin remains unapologetically itself.
